Subject: In Preparation for our 6/27/19 Call

Happy Friday, JoAnn

In anticipation of our call next Thursday, June 27th – I wanted to list some of the items we discussed on our 6/6/19 call and let you know that we are happy to offer assistance with these topics and any others you have. I know you're super busy, but wanted to keep these on everyone's radar.

- **Merrion Gas** – Send EPA the ACHD memo for Jim Kelly – EPA can take a look behind the scenes and give thumbs up or down.
- **Title V Program Evaluation Deliverables & Fee Evaluation Questions** - EPA gave our Division Director a heads up that the 2 deliverables as a result of the TV Program evaluation haven't been submitted by ACHD yet. Informed her you gave Jayme a heads up. She will be discussing this and the Title V Fee Evaluation responses on her next call with Jayme (6/24/19) – FYI
- **63 Subpart ZZZZ** – ACHD to send us an email with specific question and EPA will be happy to provide follow up and opine.
- **ATI** – JoAnn to send us a write up to give us a picture of the issue and we can come up with a path forward to get you the answers and assistance you need to move the permitting process along.

Please let me know if you think of some topics for our call.

Talk to you soon,

Amy
